

Happy Holidays & Important News!

A happy holiday season to you and your loved ones!

Thanks to a respected local physician who has helped Little Star Foundation for over 12 years, we are blessed, relieved and excited to have a new program location that will also serve as our headquarters.

What does this mean?

Little Star Foundation has a new address—in the same region and state:

Little Star Foundation
495 Grand Blvd STE 206
Miramar Beach, FL 32550

- The high standards of service Little Star Foundation is known for will continue. Our new location provides a professional, healing environment that includes our “Wall of Life.” It allows us to accommodate the growing number of children with cancer we serve, at a cost lower than what we would pay for a storage unit.
- Our new space supports many important programs. Medical and health team program meetings, introductions for children and families, ambassador training, access to regional program supplies and program, administrative and fundraising activities can take place in a professional, safe and efficient environment. Additionally, we are surrounded by caring people who bring passion and purpose to their service, work, and careers.

If you have honored Little Star Foundation in a trust, will, or bequest—or are considering doing so—we have included a Legacy Letter for your convenience. Please share it with your estate advisor, wealth management team or anyone who helps manage your legacy plans so they can update Little Star Foundation's address in your records. I am happy to speak with you or anyone assisting you about this important address change and help make the update easy for you.

If you are interested in donating this year, next year or at any time, your donation matters, is greatly appreciated and makes an important difference in improving the lives of children with cancer and their families.

This update includes four informative and interesting links below for you to enjoy:

- Legacy Letter
- Podcast with over 25 year financial specialist Chad Coe, featuring Andrea Jaeger
- "A Day in the Life" stories with recent articles
- The inspiring and educational 2027 Little Star Foundation Wall Calendar

Little Star Foundation has grown and so have our ambassadors—children with cancer who grew up participating in our programs. With your continued support, we are making the world a better and brighter place for children with cancer and their families.

The Little Star Foundation phone number, email address, and website information remain unchanged. My cell phone number and email address also remain the same. Thank you for continuing this journey with us—Divine connections and extraordinary teamwork!

Upon request, I am also happy to mail you address labels to place on envelopes or on the 2027 Little Star Foundation Wall Calendar you previously received.

Program Coordinator Adriana Solarova and I are excited to share some of Little Star Foundation's accomplishments in 2026, made possible by your contributions:

- Support for more than 11,500 hospital visits for children with cancer
- More than 10,000 meals provided
- Financial assistance and therapeutic programs, including ambassadorship and camp-like opportunities, reaching more than 5,725 individuals
- Educational programs reaching more than 405,200 individuals

In 2027, we will celebrate our 42nd year of providing programs free of charge. With a strong finish to our fundraising in 2026 and continued support throughout 2027, we can clear our waiting list.

Happy Holidays! Please save our new address and update your records for current and future correspondence and Blessings to you!

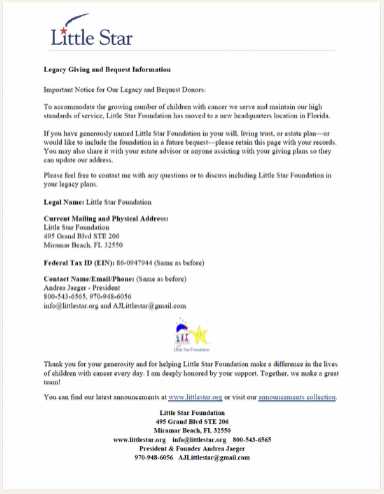

With gratitude,
Andrea Jaeger

Little Star

Legacy Giving and Bequest Information

Important Notice for Our Legacy and Bequest Donors:

To accommodate the growing number of children with cancer we serve and maintain our high standards of service, Little Star Foundation has moved to a new headquarters location in Florida.

If you have generously named Little Star Foundation in your will, living trust, or estate plan—or would like to include the foundation in a future bequest—please retain this page with your records. You may also share it with your estate advisor or anyone assisting with your giving plans so they can update our address.

Please feel free to contact me with any questions or to discuss including Little Star Foundation in your legacy plans.
